Subject: Re: We have draft responses to GAO HF follow up questions

Hi again, Mindy.

I'm really sorry, but I'm a little confused. I had thought that OECA was going to make comments to the Q&A's that we sent to OECA on June 19th, and we (OGC, and in my case, in conjunction with my program client) were then going to respond (if necessary) to OECA's comments.

It looks like OECA has not commented on any of the Q&A compilation that you sent, below, and that you are asking that OGC and OECA simultaneously comment on this compilation. Is that right?

For my part, having worked closely with the TRI Program to develop our responses to those questions, I do not have any further comments. However, I would like to have an opportunity to review OECA's comments, and I'm fairly sure that my Program client would like to have that opportunity as well. Will we have a chance to do that?

Again, I'm sorry for my confusion about this process. Thanks for your patience!

- Ben

Subject: We have draft responses to GAO HF follow up questions

Hi all!

So, attached you will find responses to all follow up questions that we received from GAO, except for the CWA. I'm trying to figure out what happened on the OW side, but it appears that their GAO liaison forgot that portion of the task. I'll get them to you ASAP, however, if you feel as though it would be easier for us (OGC or OECA) to draft them, I say "go for it!"

Please provide me with your edits/comments by **June 29th at noon**.

Thanks!
Mindy
